

This map illustrates the Okanogan River watershed in British Columbia, Canada. The river is shown flowing from the north towards the south, eventually emptying into Lake Pateros. The map includes numerous tributaries such as the Similkameen River, Tosta Coulee Cr., Sishahkin Cr., Salmon Cr., and Okanogan Cr. Key geographical features include Palmer Lake, Wannacut Lake, Speciale Lake, Concomully Lake, and Concomully Reservoir. The map also shows the Okanogan River's path through the region, with a scale bar indicating distances in miles. The surrounding area is labeled as British Columbia, Canada, and the Okanogan region.
